

## goonj

*Goonj is an Olakh Initiative carved by young students and professionals from diverse fields thriving to build an equal and just society.*

*Our journey began with an aspiration to provide marginalised children with opportunities that we as youngsters experienced.*

*We strongly feel that every child is special and deserves a prospect to develop in accordance with her/his dreams and aspirations.*

*Our mission is to address the social divide that exists between the 'have's' and 'have-not's' in terms of learning opportunities exposure and command over information and knowledge.*

*We have adopted 40 marginalised children aged between 12-14 years with diverse backgrounds. Our strategy is to provide them a fulfilling and free thinking environment far from caste, class, gender or any other form of discrimination through workshops and academic support.*

*Enhanced leadership, increased self-confidence, effective interpersonal communication and a culture of respect for self and others are our transformation goals with which Goonj moves ahead.*

*We are on a journey that leads to enrichment.,  
We walk together, nurturing each other  
and living a lifetime.....*

*Join us and nurture your soul,  
Share your skills, experiences and time,  
These vibrant hearts will give you reasons to smile*
